Make your own 4th July party hat! Color in the stars and stripes and ask an adult to cut out along the thick black edge and thick black slit on the left, where the flap can poke into. Then add some ribbon or elastic to keep secure on your head. Get coloring!

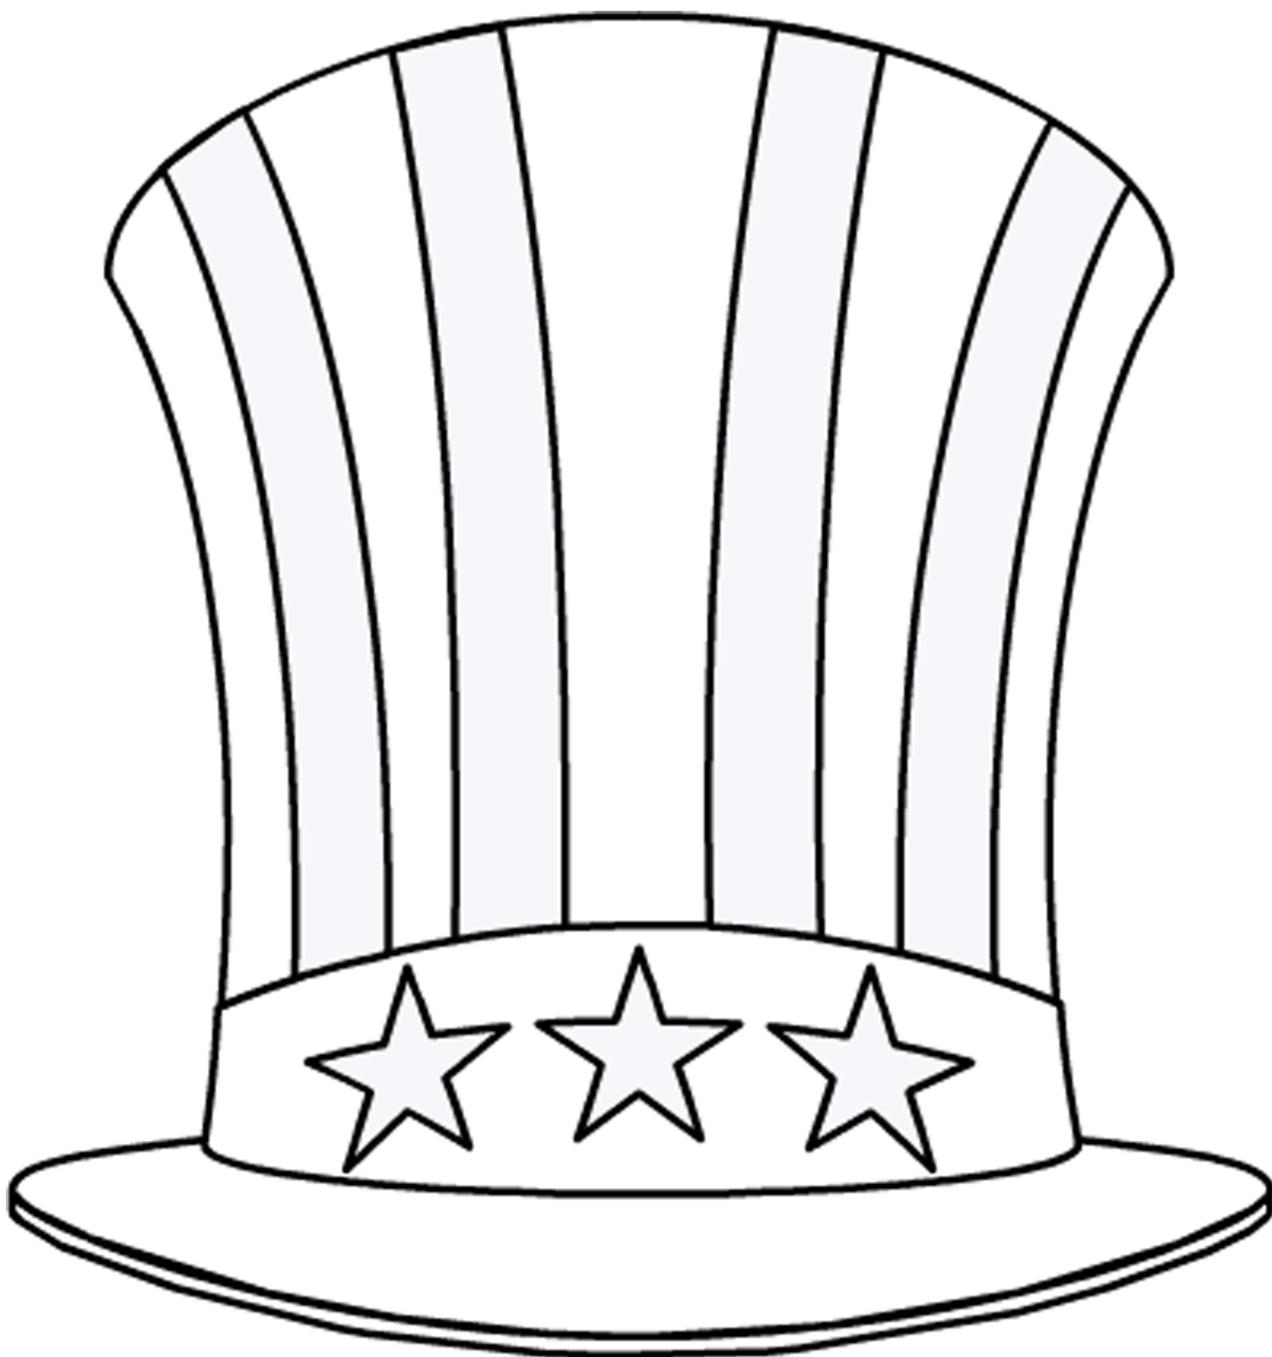

There are five differences between the eagle on the top, to the eagle on the bottom. Can you find them all? Then color him in!

Color in the objects with the matched letters and colors at the top of the page to make a bright fireworks display!

Can you count how many stars there are on the hat? Color in the correct number and star in red and then color in the hat.
